

Spey Casting Courses on the Upper Wye 2018

Saturday and Sunday 21st & 22nd April and

Saturday and Sunday 28th & 29th April

These two separate weekend courses are designed to provide the essential skills in Spey Casting for those who are beginners, improvers or experienced anglers who would like to sharpen their technique. As it is limited to four anglers per weekend with two AAPGAI instructors – Illtyd Griffiths and Jonathan Morris - the course will allow plenty of time for individual tuition during the two days. We will be casting on two separate beats, one in Boughrood and one outside Builtth to allow us to concentrate on casting off both banks (and therefore both shoulders). All aspects of Spey Casting can be covered, depending on individual needs. Suitable tackle is available if required.

Cost of the course is £270 per angler to include soup and sandwiches at lunchtime.

If you would like further details or to book on this course please either telephone Illtyd Griffiths: 01654 781365 or 07974 942853 (email: illtyd@sewincaster.co.uk) or Jonathan Morris: 07909 968348
